

Paint Me - Instant, Wearable Art

Create instant, wearable art! From handprint art and doodles to geometric shapes and intricate designs Paint Me is fabulous fun for all ages!

Here's how it works:

- You paint a picture, design or doodle on a plain piece of paper with our Paint Me colors.
- Once dry, the studio staff will print your design onto a special Paint Me t-shirt in just 30 seconds!
- The vibrant colors are colorfast and washable, plus the t-shirts are incredibly soft.

You Paint It - We Print It
